

AQUA·AID**Aqua·Root®****Humic Acid
with Soil
Wetting Agents**

GENERAL INFORMATION

Aqua-Root is a penetrating soil wetting agent combined with humic acid. **Aqua-Root** is easy to use and will not harm turf when used in accordance with product directions. **Aqua-Root** is compatible with most chemical mixtures above 5 pH. DO NOT combine **Aqua-Root** in the spray tank with pesticides or fertilizers unless prior use has shown the combination physically compatible, effective and non-injurious under local conditions. A de-foamer may be required when tank mixing **Aqua-Root**.

CONDITIONS OF SALE

WARRANTY AND LIMITATION OF LIABILITY

AQUA-AID, INC. (Seller) warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with the stated directions under normal conditions of use. Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty of FITNESS or MERCHANTABILITY, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
